In compliance to the directions issued by the Hon'ble Union Home Minister during the third Apex NCORD Meeting held on 27.12.2022, the Narcotics Control Bureau has designed and is developing the National Narco-Coordination Portal (

राष्ट्रीय नार्को समन्वय पोर्टल). This portal has an emphasis on NCORD mechanism issued by the MHA as well as knowledge management system (KMS). All tiers of NCORD mechanism are brought under one tab for optimum output in decisions against drug related issues.

This portal is in its phase - I and has an emphasis on NCORD mechanism issued by the MHA as well as Knowledge Management System (KMS).

<u>Part B</u>

NIDAAN :

National Integrated Database on Arrested Narco-offenders.

As a Narco-Coordination Agency NCB's mission is to deliver integrated & actionable pan-India information about all Narco- Offenders across India arrested by any drug law enforcement agency. We envision profiling each narco -offender and crime across India by integrating with ICJS and CCTNS.

The USP of this portal is interoperability and synergy of data on each & every narco offenders who may have also indulged in other crimes or has other associates too.

NIDAAN is National Integrated Database on Arrested Narco-Offenders which is an integrated database on all arrested narco-offenders lodged in prisons. This is developed in collaboration to ICJS (Inter Operable Criminal Justice System). It one stop solution to all narco offenders' related data and will help investigation agencies as an effective investigation tool. NIDAAN derives its data from E-Prisons and SIMS (Seizure information Management System) which is NCB's software.

Introduction

NIDAAN – National Integrated Data About All Narcotic-absconder. This is the portal <u>https://nidaan.nic.in</u> of the data about involved in narcotic offences and those are directly or indirectly involved into produce, manufacture, possess, sell, purchase, transport, warehouse, use, consume, import inter-State, export inter-State, import into India, export from India or transship any narcotic drug or psychotropic substance. Those categories of prisoners list is available through integrated search and is accessible to the Law Enforcement agencies only.

It maintains centralized database of all narcotic offenders, using the latest technologies available as on date, through ePrisons which is cloud based application available for all the states.

Background

The National Policy on Narcotic Drugs and Psychotropic Substances is based on the Directive Principles, contained in Article 47 of the Indian Constitution, which direct the State to endeavor to bring about prohibition of the consumption, except for medicinal purposes, of intoxicating drugs injurious to health. The government's policy on the subject which flows from this constitutional provision is also guided by the international conventions on the subject.

In presence of this provision, the Government of India constituted the NARCOTICS CONTROL BUREAU on the 17th of March, 1986. The Bureau, subject to the supervision and control of the Central Government, is to exercise the powers and functions of the Central Government for taking measures with respect to:

- Co-ordination of actions by various offices, State Governments and other authorities under the N.D.P.S. Act, Customs Act, Drugs and Cosmetics Act and any other law for the time being in force in connection with the enforcement provisions of the NDPS Act, 1985.
- Implementation of the obligation in respect of counter measures against illicit traffic under the various international conventions and protocols that are in force at present or which may be ratified or acceded to by India in future.

Assistance to concerned authorities in foreign countries and concerned international organizations to facilitate coordination and universal action for prevention and suppression of illicit traffic in these drugs and substances.

Coordination of actions taken by the other concerned Ministries, Departments and Organizations in respect of matters relating to drug abuse.
