It gives me an immense pleasure to present the quarterly edition of our Narcontrol report for the quarter, October-December 2021. NCB being the central Nodal Agency for NDPS and related matters in the country, has been involved in management of different facets of the drug menace. The data inserted in the report vouches for the same, as it covers wide range of issues related to the operations, capacity building & coordination measures undertaken by NCB during the period.

Team NCB qualifies for accolades in bringing forth this quarterly tome in a timely and concise, yet comprehensive manner. This edition is also being made available in digital format on our website - [www.narcoticsindia.nic.in](http://www.narcoticsindia.nic.in) and is freely available for downloads.

It is hoped that the instant iteration of Narcontrol would prove to be immensely informative as well as expedient. NCB looks forward to all feedback and suggestions from its readers towards making this publication more notably cogent, thorough and worthwhile in future.
